CONTRACT

Carver chair and chair Lapel - Hôtel Royal Evian Resort, Evian-les-Bains.

IN, OUT, BRIORD

A guiding principle: reconciling contemporary furniture and design with the specific requirements of hotels and other establishments intended to welcome the public.

An approach: exploring the social, cultural and technical constraints faced by new generations of hoteliers.

A translation: as the boundaries between indoors and outdoors are becoming increasingly blurred, Ligne Roset Contract fully meets the need to export comfort and style beyond the walls.

Whether exclusive creations or variations on iconic models, the collection is expanding to meet new uses, on terraces and rooftops, in spas or courtyards, by the pool or on the deck of a cruise ship, or - why not - in the middle of a field...

With the creative ambition and high standards that define the Ligne Roset Contract brand.
